Dear Sir/Madam

Warm Greetings from ISG.

Imparting education is one of the main objectives of the Indian Society of Gastroenterology (ISG). The ISG conducts multiple educational activities for the members of the Society. ISG has been conducting two educational program entitled Young Clinician Program and Gastroenterology Young Masters for the past 10 years. These programs are designed for the DM and DNB trainee fellows in Gastroenterology.

Train the Trainers (TTT) program is a new initiative of the Indian Society of Gastroenterology to train the young trainers (consultants, assistant and associate professors) in the training institutions across India. TTT shall be for five days of specialized educational modules, including basic and advanced research methodology, critical appraisal of papers, paper writing and grant writing workshop, teaching skills, and imparting leadership skills. Incorporated into the program are also recreational team-building activities that offer valuable opportunities for participants to become acquainted outside of the educational focus of the program. As Train the Trainers program is a new launch of ISG, we hope it to be very successful with your kind patronage.

The TTT is supported by an unrestricted educational grant from M/s Cadilla pharmaceuticals.

The ISG will support your travel, accommodation and other logistics. The first program has been scheduled to be held in NCR, Delhi between November 6 -10, 2019 (Wednesday – Sunday).

May we request you to please nominate one young consultant/Assistant professor/Associate professor from your institution. The details of the program is as follows. Of all the nominations, we shall select 25 participants based on their CVs. Please send the email and phone of the nominee.

When will the program be held?
November 6-10, 2019

Where will the program be held?
National Capital Territory

What will ISG provide?
The ISG will organise the travel and accommodation for the selected participants

Who all can participate: Eligibility (essential): All four criteria are essential
- Should be a member of Indian Society of Gastroenterology
- Age < 40 years or within 10 years of completion of DM / DNB
- Should be a faculty member/consultant at DM/DNB training institution in India
- Willingness to attend all days of the five days of the resident program
Criteria for selection:

- Based on the curriculum vitae
- Since the TTT program will continue for many years, we envisage to include all the teaching faculty over next few years.
- We plan to include 25 participants (once a year) with a mix from different part of the country.
- Only one person from one institution at one point of time.

How to participate?
Please fill the nomination form provided below and return it by email by Sept 30 2019.
E-mail: trainthetrainers.isg@gmail.com with a copy to secretary@isg.org.in

Please send your nomination at the earliest please.

Thanking you and personal regards,

Govind Makharia
Secretary General,
